

ZAC POONEN HYMNS – A SINNER SAVED BY GRACE

A Sinner Saved By Grace
By Zac Poonen (written in 2019)
Tune of "Oh Danny Boy"

[verse1]

If you could see the wretched sinner I was once
If you could see where I had started from
You'll know it was a miracle that Jesus did
When He reached out and saved a wretch like me
Today I stand a miracle of God's great grace
A grace that chased me down and holds me firm
And everyday I'll say this till I see His face
That I am just a sinner saved by grace

[verse2]

How can I boast of anything that I have done?
How can I glory in what God has done?
Where would I be if God had not forgiven me?
Each breath I have is what he gives to me.
And now my life is His alone forever
I'll never live to do my will again
But all my life I'll sing this as I run this race
That I am just a sinner saved by grace
